

DEAR NAB,

PLEASE LEAVE ALL THE MUSIC AND TALK CHANNELS ALONE. WHAT WE HEAR ON THE SATTILITE IS SOMETHING WE NEVER HEAR ON FM RADIO AND THE CHANNLES IS ALSO CLEAR. WHAT WE PAID FOR ON SATTILITE WE SHOULD GET WHAT WE WANT. I DON'T CARE ANYTHING ABOUT THE INSTANCT TRAFFIC & WEATHER BUT OTHER PEOPLE DO LIKE TRUCK DRIVERS WHO GO FROM COAST TO COAST. IF THEY HEAR BAD WEATHER IS HEADING THEIR WAY LIKE A TORNADEO WARNING THEY WOULD USE ANOTHER ROUTH OR HEAD FOR COVER. AS FOR ME I ONLY LISTEN TO THE MUSIC AND TALK CHANNELS. IF YOU ARE GOING AGAINST THE MUSIC AND TALK CHANNEL, PLEASE RECONSIDER ABOUT THOSE WHO PUT THEIR MONEY IN THE EQUIPMENT TO GET COAST TO COAST PROGRAMMING AND CLEAR CHANNELS AND COMMERICAL FREE AND CHANNELS THAT PLAY MUSIC THAT FM DOESNOT.

THANKS BOB
